About Bridges to Community

Bridges to Community engages in sustainable community development to bring lasting impact for some of the most impoverished communities in the Dominican Republic and Nicaragua. We create long-term relationships with communities—bringing volunteers to help work on meaningful projects including housing, health, education, and economic development.

ENJOY A NIGHT OF DINNER AND DANCING TO HONOR A GROUP OF YOUNG PEOPLE WHO ARE STELLAR EXAMPLES OF PASSIONATE, SERVICE ORIENTED FUTURE LEADERS.

These honorees range from 15 to 23 years of age; the collective accomplishments of this group include: participating in 20 of our international service trips, raising over $15,000 to continue our important community development work, and supporting our domestic and international offices through internships.

Please join us to celebrate the work that we have accomplished together.

We are proud to honor

SAMUEL BARNETT • DYLAN EICHHORN
DEENA ELREFAI • TALLULAH SAMBERG
AVA SWIDLER • ROSIE SWIDLER • KATIE TOAL

Honoring the Future

THURSDAY, APRIL 23, 2020

ANNUAL LEADERSHIP DINNER
Annual Leadership Dinner
Honoring the Future

Thursday, April 23, 2020
Abigail Kirsch at Tappan Hill Mansion
81 Highland Avenue • Tarrytown, NY 10591

Contributions to the Leadership Dinner honor the impact Bridges to Community has had in the Dominican Republic and Nicaragua for over 25 years, and all the volunteers who have helped make this work possible.

Your support for Bridges to Community improves the lives of families in developing countries by providing access to essential services. Last year, Bridges supported more than 4,500 individuals in the Dominican Republic and Nicaragua - with volunteers working in housing, health, education, and economic development.

Because of the support our donors give, we are able to:

• Conduct life-saving screenings for chronic diseases like hypertension and diabetes with our public health volunteers
• Build homes, sanitary latrines, biodigesters, and classroom buildings
• Mentor and host workshops for our scholarship students and youth committee members
• Provide materials and host workshops to cultivate family gardens that provide supplemental food and income

6:30 PM - 7:30 PM Cocktail Hour • 7:30 PM - 10:30 PM Reception
